Final Note by the Second Member of Council

Subject —

Comprehensive scheme of drainage for Dodballapur town at an estimated cost of Rs 88,380

The Deputy Commissioner, Bangalore District, has submitted for the sanction of Government an estimate for Rs 88,500 for carrying out a comprehensive scheme of drainage for Dodballapur town, the work being executed by stages The first stage of the scheme has been completed during 1936-37 at a cost of Rs 6,250 It is now proposed to accord administrative sanction to the scheme as a whole and to authorise the execution of the second stage which is estimated to cost Rs 12,700, the expenditure being met by Government and the Municipality in equal proportions As regards the request of the Municipality that (over) half the cost of the entire scheme be met by Government, I am of opinion that Government cannot commit themselves to the contribution of half the cost every year and that the work should be financed by the Municipal Council from its own funds as far as possible
